

What is Automotive Student Testing?

- **24/7 Online Access:** Use our assessment system anytime, anywhere, and with any device from smartphones to Chromebooks.
- **Ready-to-Use ASE Tests and Quizzes:** Choose from prebuilt 25-question tests and 10-question quizzes covering 15 ASE areas.
- **Comprehensive Coverage:** Tests span entire ASE areas, while quizzes focus on specific ASE content.
- **Effortless Setup:** No instructor setup or programming required.
- **Extensive Question Bank:** Access over 5,000 questions.
- **Flexible Testing:** Available in both untimed and timed versions.
- **Diverse Question Types:** Includes a mix of knowledge-based and experience-based questions.
- **Randomized Test Generation:** Prevents test memorization with a random order test generator.
- **Detailed Reporting:**
 - Automated weekly reports
 - On-demand reports
 - PDF formatted reports

How does it work?

- **Self-Registration for Students:** Easy and straightforward student sign-up process.
- **Instructor-Led Guidance:** Instructors direct students on which tests or quizzes to take and the optimal timing for each.
- **Data-Driven Assessment:** Instructors analyze report data to tailor support and address individual student needs.

How do instructors use it?

- **Initial Benchmark Testing:** Conduct assessments at the start of the term or new section.
- **Automotive Fundamentals:** Begin with our exclusive A0 test to cover essential basics:
 - Careers in Automotive Service
 - Principles, Math, and Calculations
 - Safety, Environmental, and Health Concerns
 - Tools, Shop Equipment, and Measuring
 - Vehicle Service Information, Identification, and Routine Maintenance
- **Strategic Quizzing:** Assign quizzes before, during, and after each topic.
- **Comprehensive Testing:** Assign tests after completing each ASE area.
- **Weekend Homework:** Use related untimed tests or quizzes for weekend assignments.
- **Teaching Test-Taking Skills:** Utilize report data to instill effective test-taking habits.
- **End-of-Pathway Preparation:** Equip students for End of Pathway Assessment tests.

How much does it cost?

- **Affordable Pricing:** Single semesters cost is \$27 per student or less, depending on the number of students.
- **Bulk Savings:** Save more by purchasing multiple semesters.
- **Complimentary Instructor Accounts:** Instructors get free access with a purchase.

What are the benefits?

- **Engages Students with Familiar Technology:** Leverages the smartphones and devices students already use.
- **Boosts Student Motivation:** Transforms students into "test-taking monsters."
- **Enhances Accountability:** Encourages students to take responsibility for their education.
- **Facilitates Communication:** Promotes open dialogue between students and instructors.
- **Supports All Students:** Prevents quiet or reserved students from falling behind.
- **Provides Clear Progress Tracking:** Detailed reports showcase student progress and validate teaching effectiveness.
- **Improves Test Scores and Pass Rates:** Increases overall student performance and success rates.
- **Career-Ready Preparation:** Equips students for future careers and ASE Certifications.

Preferred by Instructors and Administrators

Our service has become a favorite in the automotive education industry, and it's easy to see why. Instructors who try it out are hooked, returning semester after semester. They witness firsthand the remarkable improvements in their students, thanks to our top-notch assessment tools. Give it a try and see how our system can elevate your students' performance and transform your teaching experience!

Take Action Today and Transform Your Classroom!

Scan the QR code now to request your **free 30-day demo** for you and your students. Start seeing measurable results in just one week as your students begin aligning to the same level and pace. Don't wait—empower your teaching and enhance learning outcomes today!

More affordable new EOPA option

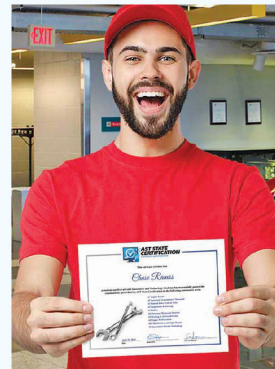

With an AST State Certification, your students earn credentials equivalent to ASE Entry-Level Certification, but at half the cost! Prepare them for success with a certification that opens doors and saves you money.

FEATURES:

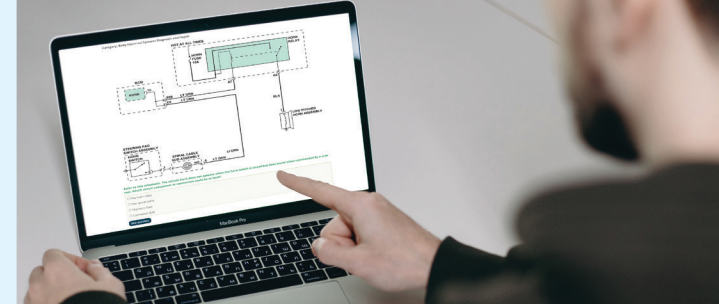

- **Enhanced Administrator Interface:** Streamlined for better test management.
- **Complete Visibility and Reporting Control:** Manage test visibility and access detailed reporting effortlessly.
- **Total Control Over Tests:** Administrator can enable or disable tests with the click of a button to keep students from taking unproctored tests.
- **Certification for Passed Tests:** Students receive official certification for passing tests.

BENEFITS:

- **Cost-Effective Solution (50% Savings):** Significantly more affordable.
- **Reinvest Into Your Program:** Money saved can purchase new and better training equipment.
- **Continuous Testing:** Students can take tests as they complete each section, not just at the end.
- **7 Test Attempts at No Extra Cost:** The ASE Entry-Level Certification permits only two test attempts per term and imposes additional charges for a third attempt. In contrast, we provide students with up to seven test attempts per term, offering greater opportunities for success.

Ask us how you can help get AST State Certification approved in your state.
